

BROKER SERVICE COMPARISON CHART

Restaino & Associates: *The Sign of Success*

Selecting the right real estate company to represent you in the sale of your property is a critical part of the home selling process. You need a company that maintains a strong market presence and one who possesses the technical and marketing tools necessary to get you to the closing table fast. In addition, you need an agent who can provide the energy and experience to help you sell your home quickly and profitably.

At Restaino & Associates we are extremely proud of the team we have assembled to help you do just that. We start by hiring and retaining the best agents available in the marketplace today. We then provide our Associates with cutting edge technology and an environment of continuing education to help them maintain their competitive edge in the ever changing world of real estate. The result: A smooth and successful real estate closing for you in the shortest amount of time possible. The award winning Agents at Restaino & Associates have proven time and again that ours is truly, "*The Sign of Success*".

To assist you in your selection process, we have compiled this Broker Service Comparison Chart. It's an easy to use checklist that shares information on the many services we have to offer and which we hope will help you to choose Restaino & Associates to represent your interests. We're confident that you will be pleased with the service we provide.
